Mother's Day Shoal Lily Paddle: Don't just get Mom a bouquet of flowers for Mother's Day...take her out on the Flint to see the amazing shoal lily bloom! Join FRk board member Les Ager and his wife Jaydee as they guide this trip through the upper Flint's shoals to witness the remarkable beauty of the shoal lily annual bloom. Two trips are being offered this year for FRk's most scenic float. Saturday will be an easier route and Sunday will be the more technical route. Boat rentals and snacks are included in reservation prices. Contact jessica@flintriverkeeper.org for reservations and other details.
