The Flint River needs YOU! And so does FRk. We are in the process of building our membership and support system and would love to count you among our ranks. The Flint River is a beautiful and rich resource that we must fight to protect from issues that could damage this ecosystem forever. Help us keep our Flint River clean and healthy for this community and the generations to follow. Get involved today by visiting our Membership page and joining the FRk

to start receiving information about our efforts to protect this vital resource for our region. If you have a specific way in which you would like to serve in the efforts to protect the Flint, please let us know when you send in your membership or by contacting us at (229) 435-2241 or emailing us at

Be sure to bookmark this site and keep an eye on our calendar and blog to make sure you don't miss out on exciting activities that will put you in touch with our river and with others working to protect it.

Thanks so much for your support and we look forward to hearing from you!
